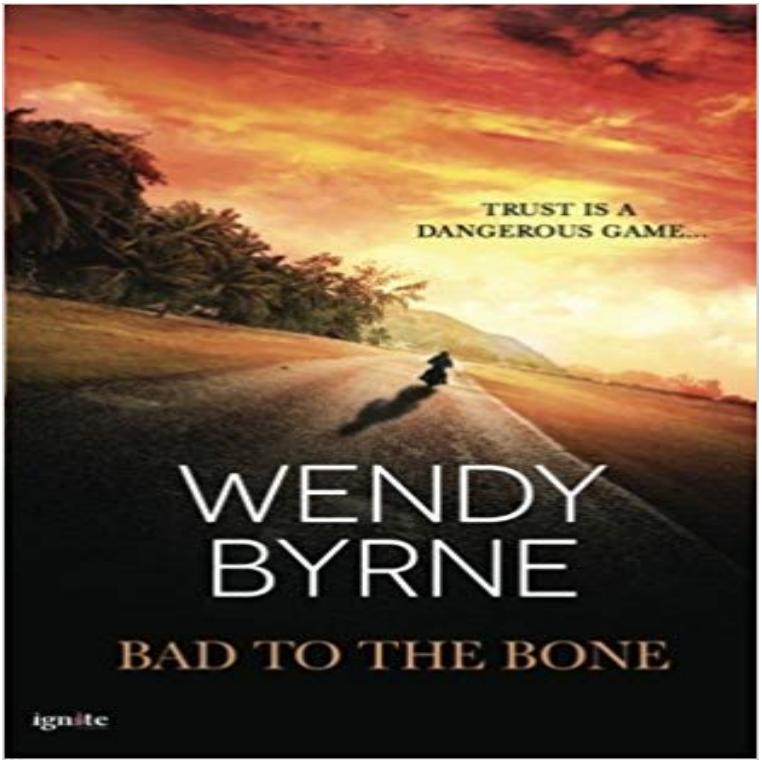
Bad to the Bone



When her Uncle Jack is arrested on drug charges, Sammie Murphy hops the first plane to Key West. Being rescued isnt on her uncles to-do list, though. When he admits guilt and instructs her to go home, Sammie knows with 100% certainty something is seriously wrong. Veteran DEA agent Enrique Santos knows when a bust is solid. So why is he allowing Jack Murphys niece to mess with his head? Hes been set-up and nearly killed by a woman like her before, and hes not about to make that mistake again. But then things at Murphys bar take a turn for the dangerous, leaving Sammie entangled in Enriques dark past. Forced to second-guess his convictions, Enrique has no choice but to kidnap the one woman who could destroy everything...including his heart.
