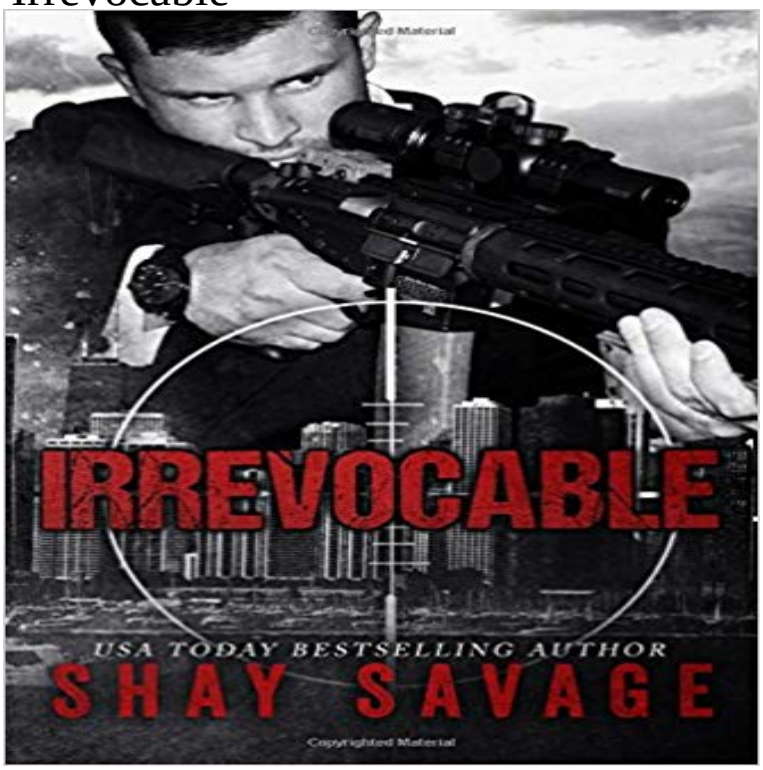
Irrevocable



Have you ever made a mistake? A big one? Im back in Chicago and back in business with my boss, Rinaldo Moretti. So much for my run at a normal life. There are some new faces in the organization, and someones been cooking the books. Personally? I think theyre after more than a just little cash. If I have any hopes of flushing out the traitor, Im going to need to find a good hooker to help me sleep at night. As the bodies pile up, I find solace in Alina. Theres something about her, something different. She understands me without asking a lot of questions. Its as if shes known me for years, yet weve only just met. If I werent so distracted by business, Id try to figure out her story. Shes the only one keeping me grounded as my world spins out of control. Im going to lose the one man who has ever meant anything to me the only man to ever call me son. I want to deny his request, but there is no avoiding what awaits me. I never wanted any of this, but Im out of options, and time is running out. Some choices have unforeseen consequences, and some choices are simply irrevocable.
