

Emmas Initiation (BDSM Romance, MFM Menage) (What If We Get Caught Book 1)

Emma joins a gym, and before she knows it, she's falling hard for her personal trainer, Greg. He's hot and cocky, and so out of her league. But as her pounds drop, her confidence soars. She even explores her new-found heightened desirability with a fellow (female) gym goer. With her confidence boosted, she now feels she may be able to seduce Greg after all. Little does she know that his cocksure attitude translates into a domineering approach when it comes to intimacy. Their first time is unexpectedly rough, but Emma can't help but crave more of it, realizing that she may be into his lifestyle too. Greg explores all the forbidden areas with her, taking her untouched back door and even sharing her with his friend. Emma loves it all, humiliation notwithstanding. After their first encounter, they can't seem to get enough of each other, and a new relationship is born. Authors Note: This book is a part of What If We Get Caught! series.
