Scared and terrified with no place to go, the curvy virgin stumbles upon an insanely handsome yet mysterious military officer, Barrett, who has no interest in becoming her savior. Barrett lives in an isolated cabin in the middle of the woods. He has a past and his own shifter secrets. But some people are just destined to be together... When this curvy woman awakens the loving bear in him, he would do whatever it takes to protect her, guard her, and above all claim her as his mate. The Bears Captive Kara, a curvy beautiful woman meets a deadly car accident. Injured and alone, she is dragged by a bear deep into the woods. What happens next is beyond Karas imagination... Curves For The Bear Tired of rejection and humiliation, Jen, a curvy woman, decided to embark upon a camping adventure. Just when she thought that that break would bring her some peace of mind, fate had something else in store for her. Henry, an incredibly sexy bear shifter had been hiding in the woods for years. But when this feisty curvy woman awakened his inner bear, he couldnt think of anything but making her his own. Burning with

desires to claim her his mate, Henry trapped Jen only to make their wildest desires come true. But theres more to the story... Jen wasnt only desired by Henry but his brother had been craving her curves since the moment he saw her. Trapped in between the two alpha bear shifters, will Jen be able to get the man who truly loves her? Sold To The Bear He couldnt look her in the eye. Something strange was happening. She thought of stories of women being beaten and killed. She could be left out here to rot. She knew he wasnt going to do that, but something was going on. As much as she cared for this man, and she did, she had to know what was going on. Youre going to be frightened, but I want you to trust me. Why? She wasnt sure what to expect but she had to know. There are things out there that you dont understand. I like you, a lot, and I want you to know me for who and what I am. What are you? He didnt answer. He just stripped off his perfect shirt and threw it on the ground. She could feel a fire burning inside of her. She could see his massive arms and his hairy chest and it excited her. Every muscle sparkled in the light of the moon with some unearthly glow. Claimed By The Growls Helen wants to find love. The only problem is that she is a curvy virgin who hasnt had the chance to find her type. The only features she is really proud of are her sparkling blue eyes and long, wavy blonde hair. But, she is hoping for a better future as she reaches her dream job as a columnist in no time. Byron and Mick are two hot alphas looking for a mate. Thick brooding eyebrows and dark skin only add to hotness and sexiness of the Lewis twins who are desired by every woman at Helens workplace. But, looks like the sexy brothers have got the hots for this untouched curvy virgin who has every intent to make their inner bear wilder. Reader Note: This content is only meant for the adult eyes!
