

Passive Income: Highly Effective Ways To Achieve Wealth Using These Successful Methods: Life Changing Methods to Achieve Financial Freedom (Wealth Creation, ... Streams of Income, Residual Income,)

I want to synthesize three main ideas:
-Passive income is awesome! -It is not really as passive as you were told. -And its dangerous! And I really cover why passive income is dangerous...There are some traps and pitfalls of passive income. If you work on a full-time job/ a salary job, then you might consider passive income an escape from that secluded lifestyle. You might think that Woow, Passive Income! That means that I will get to sit at home, do nothing and still getting paid? And thats basically what it means. It means that if you are in a vacation, you are still getting income. You may be delighted by the freedom you get, but you still have to discover and be aware of its drawbacks. You are free to combine passion with work, but you have to sacrifice time for that work. And you have to invest a lot of things in your business: time, effort, freedom, relationships. But what delights me more when I hear about passive income is that will make you feel joyful and confident with every small step you make in the direction of progress.
