

Birth of The Council, Vol. 2

Volume TWO of the Birth of The Council series includes transcripts of EIGHT Eloheim and The Council channeling sessions held between August 5, 2009 and September 23, 2009. The focus of VOLUME TWO is: An overview of Eloheims teachings; a detailed discussion of the difference between judgment and preferences; and an exploration of the inquiry, will you say, yes or will you say, habit. A reminder that when the consciousness-based operating system is in place, the body is built for bliss. When the fear-based operating system is in place, the body is built for paranoia. Instruction on using the senses in a new way as we ensoul our bodies, a discussion of the origins of the soul/body connection, how to heal from early wounds, and a deep exploration of shame and how we experience it. Guidance on how to examine your fears and discover what your fears can teach you. In that discovery, you clear space for deeper interaction with the moment and learn how to bring the truth of you to the moment. Embrace the statement: I am complete, yet I seek, and I am patient with me in the process. New Council members in VOLUME TWO: A preview of the entire Council is included in the June 16, 2009 session although we didnt know it at the time! VOLUME TWO includes 21 tools: Big toe, left elbow; Choose and choose again; Clarity vs. certainty; Color with all the crayons; Concurrent and cascading fears; Dont be mean to yourself; I am willing; I dont know anything; Mad scientist; Neutral observation; None of your business; Preferences/Judgments; Re-queue; Relanguaging; Script-holding; Superhero powers; This is happening for me; What am I afraid of?; What is in your lap?; What is true now?; You cant have change without change. has channeled since 2002. During that time, she worked almost exclusively with Eloheim. Beginning in June, 2009 she started channeling additional groups to form what eventually became known as The Council. This process unfolded over a 56-week period. This series of seven books documents the arrival of The Council and details their teachings during this time. Each Birth of The Council book can stand alone, but taken together will allow the reader to follow along with the formation of The Council as well as the progression of the teachings including the introduction, in-depth explanation, and evolution of The Council's tools. The Council is comprised of seven different groups: The Guardians, The Girls, The Visionaries, The Matriarch, The Eloheim, The Warrior, and Fred. Each Council member has a distinct personality, style of delivery, and focus. The Council is best known for their multitude of practical tools, which support our journey out of the fear-based operating system into consciousness-based living.
