

I only ever wanted freedom. When Emily is held hostage in the desert, she's sure her life is done. Finished. After years of battling her demons, she's never going to get the chance to be free. Then she hears the rumble of a Harley cutting through the dunes and sees a glimmer of hope in the leather-clad biker who insists that her kidnapper hand her over. The Fallen was everything...until I met her. Flash knows that saving the girl's life is going to start a war between The Fallen Motorcycle Club and a ruthless cartel, but that doesn't matter. She's worth any blood that gets shed. Tensions rise as old truths come to light, but Flash believes he can face anything as long as he has her. But Emily has a devastating secret that could change everything, pitting her against The Fallen and putting them all in mortal danger.
