She is instantly drawn to her incredibly sexy and mysterious tattoo artist, Eric. Unfortunately, it's an attraction that will cost her more than she could ever have imagined. Life as a tattoo artist isn't dangerous, at least that's what Eric told himself when he chose it as his profession. And, for a time, it was true...until a stunning brunette comes into his shop and he accidentally lets the monster inside him escape. Now he has to do the only thing he knows how to save her life... enact the Blood Bond
