

Finally at peace with the mistakes of her disastrous first marriage, Anna Kaklis is ready to experience love again, and Lily Stewart is the woman she will fight to keep forever. Even as she gathers her courage to go to the next level with Lily, the future of Premier Motors is suddenly in her hands. Its an irresistible opportunity, and Lilys support is crucial. Believing she has it, Anna throws herself into her long-cherished dream of building the family business into a powerhouse empire. Annas good fortune thrills Lily, but the demand on Annas time does not--the sacrifices required for Annas success grow more and more difficult to make. Inevitably, Lilys lifelong insecurities leave her feeling a distant second best. When tragedy strikes, her old habits take over. If life was perfect and the future a sure thing, Anna and Lily would walk off into the sunset together. Instead, they stand on shaky ground. Anna will fight to keep Lily forever, but what can she do when the fight isnt hers?
