

A Suspenseful Western Romance Novel Book Three in the Fate for Love Series Colton Kingston is set on rebuilding his ranch to what it once was before his livelihood was diminished to a pile of ashes from a revengeful dark act of arson. His brothers at heart are there with him every step of the way to help pick up the pieces of the old and replace them with the new. Paige Summers finds her inner strength to battle through her burdens of taking another person's life. Standing in her rightful place by Colton's side, she's finally holding her own and living her dream of training horses. Together, Colton and Paige have endured their fair share of obstacles and tragedies, and it has only made them stronger. With Hank Ulrich out of their lives, Colton is determined to make Paige, the girl he's loved since he was five years old, his wife—forever. But as one door closes, another opens, and a new danger is lurking in the shadows, threatening to stand in their way. Will Colton and Paige's love be endless, the way it was always meant to be? Or will a new devastation fall upon them and ruin their fate? Book Contains Mature Content Keywords: Romance Novel, Contemporary Romance Novel, Western Romance Novel, Family Saga, Romance Saga
