

Alpha Packed: A BBW Paranormal Shifter Romance - Book 4 (The Alpha Packed BBW Paranormal Shifter Romance Series) (Volume 4)

A BBW Paranormal Shifter Story ***Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only*** Just as Darlene thinks her life has settled down, a terrible old foe returns for revenge. Darlene is still learning how to control her abilities with the spirit world when Jacob returns with an army of his own werewolf/vampire hybrid creatures. He has only one goal... get his revenge on Darlene and the packs that ruined his plan with Lucian the first time around. Darlene must rely on her friends to take Jacob down and return the world to normal. But as she finds herself in more and more trouble, she must pull her own strength from within to have a shot of finally achieving the normal life she wants so badly. Idris, on a path of repentance after being given Exsul status, finds himself wrapped up in pack politics that don't concern him. As he puts himself square in the middle of the battle, will he be able to leave in one piece? Darlene and Idris find themselves fighting for survival for the final time but will they both survive? Read this book to find out what happens.
