

Wild For You (Always a Bridesmaid) (Volume 3)

A sweet and sexy novel by New York Times and USA Today Bestselling author Jessie Evans. This good girl about to go wild...Melody March has always been the sweet little sister everyone could count on, but lately she's longed to let her hair down and try something new. She tells herself it has nothing to do with bad boy, Nick Geary, or the steamy kiss they shared a month ago, but she can't deny the sexy, tattoo artist has gotten under her skin. She's determined to show him she's got what it takes to enjoy a walk on the wild side. Twenty-two year old Nick Geary has had enough of good girls. His heart was broken by a sweet, southern woman once before and he's determined not to let it happen again. But then, he wasn't betting on meeting Melody, a girl with an angel face, who makes him laugh like a little kid and kisses like the devil's concubine. As things heat up between them, Melody and Nick soon realize this is more than a fling. But will their new love survive a wild night gone horribly wrong? Fans of Bella Andre, Kristan Higgins, and Susan Mallery will love the Always a Bridesmaid romance series, stories featuring sassy Southern women and the alpha males who love them.
