

Amazon Income: How ANYONE of Any Age, Location, and/or Background Can build a Highly Profitable Online Business with Amazon

The Internet affiliate program industry is one of the largest and fastest growing digital revenue generators in the world, with more than \$65 billion in total income brought in recently. It is because of programs like Amazons Associate program, which has been around for more than a decade, which allows casual, every day users of the Internet to install widgets and links on their Web sites that link back to Amazon products. Users like you can earn commissions of up to 15% on products that your Web site visitors purchase when they visit Amazon. With the worlds largest online retailer as a potential source of income, you can generate endless streams of income as a result.No matter where you are from, how old you are, or what your background is, you can build and run a highly profitable business with Amazon. This detailed book is written to show you exactly how you can learn to be an Amazon guru in just a matter of weeks, making unfathomable amounts of money by selling Amazon products, your own products, starting a store, promoting outside projects, and making referrals.In this book, you will learn how the Amazon business model works and how much money they will pay you in various ways. You will learn how to build a traffic funneling Web site with dozens of free tools such as blogs, podcasts, videos, and social media that help you increase the number of visitors you can send to Amazon for minimal investment. You will learn how to take advantage of the Amazon Kindle program and its revolutionary take on digital distribution of books and newspapers. You will learn what you can do to start your own store in the Amazon Marketplace, selling products at set prices to anyone in the world in much the same way you could on eBay with much more freedom.Learn how to publish your own books on Amazon with little to no investment and use features Amazon

provides, such as Search Inside and digital distribution to reach more people faster. Learn how you can take advantage of multimedia services on Amazon such as Advantage that allow you to publish your own music, videos, and professional titles around the globe. Learn how to use Amazon Connect effectively to promote your products and reach potential customers and how Amazon provides more methods for advertising your products without outside investments. You will learn how to choose a niche to market towards and what you need on your Web site to make your visitors more willing to click your links and purchase the products you are promoting. Extensive research and interviews with top Amazon associates and independent authors give advice that will ensure your marketing and promotion methods allow you to generate traffic, promote products, and convert sales at a rate that will help you build a successful business quickly.
