

Beth is flying to Colorado for a week with her two sisters, Joy and Lynn. On the flight she is seated next to a very handsome, single FBI agent named Tyler. Both Tyler and Beth can feel a strong attraction growing by the time their plane lands in Denver. Beth is distracted by this attraction but knows this week is primarily for the three sisters to laugh, be silly and have fun, which they start off doing until Beth stumbles upon a dead body and Tyler is worried that he might not be able to keep Beth alive long enough for the two to explore the romance they briefly started.
