Award winning author Jennifer Blackstream spins a highly erotic tale of a desperate werewolf in the wanton grip of a mating ritual and the wild-eyed vampire who will either be her savior ... or her ruin. So Hot ... So Good. - Natalie Gibson, Satin Sheets Romance Reviews When a vampire gets involved in a werewolf mating ritual, you know theres going to be blood ... Gia is a werewolf with a mission: to have a submissive mate who will never threaten her dominance. For years she has ruled as the lupa of her pack with just such a mate. Then one night her perfect little arrangement comes to an end when her mate betrays her with another woman. Outraged at the insult to their lupa, the pack calls for one of their most sacred rituals: Aphrodites Hunt. For three nights Gia will be the prey, hunted by the eligible males of her pack until one proves himself worthy by finding her and claiming her as his own. If Gia wants to escape the erotic ritual that even her own wolf longs for, she will have to find someone to protect her not only from her pack ... but from her own carnal desires. Sorin is a vampire with a secret. Haunted by the macabre sins of his past, he has sworn off blood, determined to stick to a diet of siphoned energy that leaves him too weak to pose a threat. When Gia comes to his door, possessed by a heated desire and desperate to make a deal, Sorin quickly turns her away. But he soon finds out that Gia is not a werewolf used to taking orders. One bloody kiss is all it takes to awaken the beast he has kept trapped inside of him for so long and suddenly Sorin finds himself swept up by a renewed hunger for the warmer things in life. Now Gia wants out of the deal and Sorin wants ... her. Want to read deleted scenes from Aphrodites Hunt? In the mood to chat with other fans who share your erotic paranormal interests?
