They had their lives planned but a misunderstanding tore them apart forever, their parents ensuring that they stayed apart as well. Now Olivia's life has been turned upside down by a monster that she had escaped from with three other women years earlier. Her only chance to stay free is to trust in Ulysses one more time. Life has given her more than bringing Ulysses Lee Jacobs back to her though, it's given her Nathan Gordon, a man she easily and quickly falls for. These three have to work together to heal old wounds and stop the monster once and for all before he's able to destroy the life they are working to create together. Olivia and Lee have to overcome the pain of misunderstanding from the past, face up to the truth of their time as teenagers, and learn to accept the love that they have now formed with Nathan. ** A Siren Erotic Romance
