

Draco: Book Two of The Stardust Series

It's been two weeks since Haley Jones turned eighteen and her life was turned upside down. While searching for her dad, Haley is adjusting to life in Santa Cruz with a new job and friends. Surrounded by six dangerously appealing guys, she's still trying to figure out just who Liam, Knox, Ethan, Chase, Theo, and Jackson are and what they do. From a twenty-first birthday party to a swanky costume gala, Haley discovers just how difficult it can be to fit in and that maybe it's okay to stand out.
