

Capturing Colleen: Sunset Motel, Book One

****Previously released as Sunset Motel, Book One.**** One hotel room. Two lovers. A diary that stops without revealing the ending to their story, and a quest to discover the truth. When Samantha Crews wins the contents of a storage unit in an auction, she never expects to find a personal journal and letters hidden away in an old desk. Intrigued, she opens the yellowed pages and falls straight into a sexual, tangled world. In 1960, Colleen was sent to the Sunset Motel as payment for a debt. Her job? To be seduced by her boss's reclusive, scarred son Leo, and act out every erotic, sensual fantasy he wants fulfilled. Virginal Colleen is terrified but resolute--until she meets Leo. To her shame and surprise, he appeals to her on every level, and the two of them ignite a fire within each other that seems impossible to extinguish. Just as resolution seems to be within sight, the diary and letters end, and Samantha is left with unanswered questions. Did Colleen and Leo get their happily ever after? Or did they go their separate ways, never to meet again? Determined to find out, Samantha sets out on a quest to find them. Despite knowing she might not like the answers she finds, she has to know what happened. Capturing Colleen is the first book in the Sunset Motel series by T. L. Haddix writing as Mallory Love. The second book, *Seducing Samantha*, is available now.
