

Burn (Blaze Series Book 2)

You said we were done. Done means I can do what I want. Kate, if you think we're done, you're not paying attention. Kate McDonald returns to her hometown in Alaska, fearing the worst for her family. Instead, she finds a miracle: a miracle by the name of Gabriel Call. But is it enough to repair the damaged relationship between the lovers? Or is it shattered beyond repair? While she hoped for some breathing space to finally get her life in order - both professionally and romantically - reconnecting with her high-school sweetheart, Sam Bowman, only brings more complications. Open, loyal, humble, and committed, Sam is the complete opposite of Gabriel. And when he makes it clear he wants Kate back in his life. Burn is the second book in the ongoing Blaze adult romance series.
