

## Get To Me (8th Sin Book 1)

What if you had a second chance to begin again? Savy Arnold is surprised to see Ryker Sosa after four years. She hasn't heard from him since the night of the accident. Ryker is even more handsome and charming than he was in high school. But there is also someone else who just might provide Savy with what she is looking for. Two totally different men want her attention. But in the midst of romance, secrets are uncovered that change the way Savy sees her entire life. And one thing is very apparent: She will never be the same again.
