

Prisoner (Criminals & Captives Book 1)

Dark, sexy, and intense, Prisoner is an emotional ride that does not let go until the end. I loved it! ~ Kristen Callihan, USA Today bestselling author HE SEETHES WITH RAW POWER THE FIRST TIME I SEE HIM pure menace and rippling muscles in shackles. Hes dangerous. Hes wild. Hes the most beautiful thing Ive ever seen. So I hide behind my prim glasses and my book like I always do, because I have secrets, too. Then he shows up in the prison writing class I have to teach and he blows me away with his honesty. He tells me secrets in his stories, and its getting harder to hide mine. I shiver when he gets too close, with only the cuffs and the bars and the guards holding him back. At night, I cant stop thinking about him. But thats the thing about an animal in a cage you never know when hell bite. He might use you to escape. He might even pull you into a forest and hold a hand over your mouth, so you cant call for the cops. He might make you come so hard, you cant think. And you might crave him more than your next breath. ***** Sexy, dark and thrilling. I loved every second! ~ Katie Reus, New York Times bestselling author WARNING: PRISONER is a dark romance that explores dubious consent and captivity. Not intended for those uncomfortable with the subject matter or under eighteen. ~PRISONER is a standalone novel and the first in the Criminals & Captives series~
