

Releasing Rage (Cyborg Sizzle Book 1)

Half Man. Half Machine. All Hers. Rage, the Humanoid Alliances most primitive cyborg, has two goalskill all of the humans on his battle station and escape to the Homeland. The warrior has seen the darkness in others and in himself. He believes that all he's been programmed to experience. Until he meets Joan. Joan, the battle stations first female engineer, has one goal survive long enough to help the big sexy cyborg plotting to kill her. Rage might not trust her but he wants her. She sees the passion in his eyes, the caring in his battle-worn hands, the gruff emotion in his voice. When Joan survives the unthinkable, Rages priorities are tested. Is there enough room in this cyborgs heart for both love and revenge?
