Adding to the intensity, her boyfriend, Terrible, doesn't trust her, and Lex, the son of a rival crime lord, is trying to reignite the old sparks between them. Plus, there's the little matter of Chess real job as a ghost hunter for the Church of Real Truth. She's investigating reports of a haunting at a school in the heart of Downside, where someone seems to be taking a crash course in summoning the dead--and if Chess doesn't watch her back, she may soon be joining their ranks. As Chess is drawn into a shadowy world of twisted secrets and dark violence, it soon becomes clear that she's not going to emerge from its depths without making the ultimate sacrifice.
