

Bound By Their Love (Bound Series Book 3)

From Nicole Flockton comes the intense, emotional conclusion of her bestselling Bound trilogy. Reclusive, exclusive and world renowned, Jeffrey Courteux might get a lot of attention for his exquisite jewellery, but he keeps his personal life under tight wraps. His solitary life fuels his creativity and keeps him sane, and hes not willing to give it up until a pair of sexy legs in killer heels makes hiding away less appealing than it used to be. Smart, driven and ambitious, Greta Adamas knows shes the only suitable candidate for vice president of her familys advertising firm. Landing the Jeffrey Courteux account for his new line of jewellery will only catapult her to the upper echelons of the advertising world, and nothing will keep her from achieving her dreams not even the overwhelmingly attractive designer who wont leave her thoughts. Mixing business with pleasure is always a potent cocktail, but one with consequences. What happens when two people who know what they want suddenly want something completely different and completely out of their reach?
