

Guarded Hearts (A BBW, Paranormal Bear Shifter Romance)

Curvy BBW Camille Jones had given up hope of finding a good man and having a family of her own. Years of solitude and painful rejection had left her feeling inadequate and undesirable, and she strongly suspected that at 31 she was probably going to live out the rest of her life unloved and alone. But when the handsome and wealthy Blake Burrows laid eyes on the beautiful, voluptuous brunette, he knew that after 400 years of searching he had found his life mate. But will his love alone be enough to rescue her from her demons? Or will her guarded, broken heart drive her away from a love that would last a lifetime.
