

Breaking All the Rules

From No Strings to All Tied Up in Knots... It was a perfect arrangement. For three years Nina Warren met up with U.S. Marine Bobby Dellucci for fantastic, no-strings-attached sex whenever he was in the country. No drama. No expectations. Just fun. But when Bobby returns from his most recent overseas deployment, he wants to change their deal. Hed like to get to know her better and see if they can have something more. Something more is exactly what Nina doesnt want with him. A military brat who grew up moving around the world, she isnt interested in dating anyone in the service. Fiercely independent, she knows what its like for her life not to be her own, and she doesnt want that anymore. She already broke her rule getting involved with him at all. But Bobby isnt one to give up easily and hes willing to fight for her--for them.
