

## Broken (This Book 1)

Gabbys life has been anything but easy. She is surrounded by friends who seem to have everything she doesnt: money, social standing, and happily married parents. While dealing with the loss of her mother, she experiences her first heartbreak. She commits herself to her studies and runs away from any emotions that arent safe. Bradley Banks, a confident CEO and commercial architect, who has long time commitment issues forces Gabby to feel again, but will he be her next heartbreak?
