

## Captivating Bridge (Tempest Book 3)

Warren War Jenkins is that guy. The bad one. Tempests ex front man, an arrogant rock god. The only thing larger than his ego is his capacity for self-destruction. His bad attitude has cost him. His woman. His best friend. His band. Everything. Shaina Bentley is that girl. The good one. Hollywoods pink candy-coated sweetheart. The star of Pinky Swear, televisions top rated teen show. Shes been practically perfect since that horrible day. But shes starting to crack under the strain of being everything to everyone. Hes a one man island. Shes a fragile captive soul. Is love a current too dangerous to cross or will it be the bridge that brings them together?
