

Is it really better to have loved and lost than never to have loved at all? Tara Tremaine is a woman with a mission – to pick up the pieces of a life she turned her back on and win back her estranged husband, Danny. Nothing will stand in Tara's way, least of all the dangerous secret that drove them apart or Danny's growing feelings for another woman... Since arriving in Polwenna Bay hardworking vicar Jules Mathieson has put duty above her own heart. Jules adores her new life by the sea and secretly loves troubled war veteran, Danny Tremaine. When Tara returns Jules knows stepping away from him is the right thing to do, no matter how much it hurts. Danny Tremaine's world has been shattered. With life-changing injuries, a broken marriage and his glittering military career abruptly over, he returns to the family home to a rebuild his broken body and heart. Danny knows his friendship with Jules could blossom into more but allowing this to happen will come at a very high price - one that could cost him everything. With Christmas fast approaching Jules, Danny and Tara are not the only people in the village with secrets and long cherished dreams. Maybe with a little seasonal magic, some winter wishes really will come true?
