A medical miracle gives TV personality Cat Delaney more than a new heart. With her second chance at life Cat trades Hollywood for San Antonio, where she hosts a TV show for children with special needs. Here she meets Alex Pierce, an ex-cop turned crime writer-and the first man to see her as a woman since her surgery. But her new world turns sinister when fatal accidents begin killing other heart recipients, and a mysterious stalker starts shadowing her every move. Soon Cat realizes Alex may-or may not-be her most important ally and that her new heart comes at a terrible price: a tangled web of secrets and someone determined to take her life.
