

A Vanilla Christmas

Vanilla Lillian Carver has had her share of disappointment and heartbreak, from a high school heart throb, to a broken engagement, and then being left at the altar. She's made up her mind, she's through with love. Well, that was her plan until the love of her life returns after disappearing twelve years earlier without even saying goodbye. Can she trust him again? Her heart says yes, but common sense says run in the other direction, because there are too many unanswered questions that she's afraid to ask. Poor Lily! She's running in circles.
