It had to be her. He won't be satisfied until he claims her. Kennedy Aldrich has perfected the art of dodging any romantic entanglement that will lead to marriage. That is until he sees Mackenzie Farrell at a BDSM gathering. When they meet, he's entranced by her intelligence and submission, not to mention her stunning good looks. For the first time, he has met a woman who captivates his interest on every level, someone he wants to share his life with. Mackenzie is overwhelmed by Kennedy's attentions. A failed marriage taught her to distrust men, and she's vowed never to walk down the aisle again. It takes all her resolve to resist the devilishly handsome Dominant. After all, the whole world knows of his legendary reputation with women. Every feminine instinct warns that this man will demand more than she can offer. But she hasn't counted on Kennedy's determination to claim her and prove that love is worth any risk.
