

Endings and Beginnings (Collars and Cuffs Book 8)

Collars and Cuffs: Book Eight In all his relationships, Darren Fielding never found the level of intimacy he witnessed between Thomas Williams and his sub, Peter, the day of Peters rebirth. Not only that, he never realized such intimacy was possible. For two years, Thomass business card has been burning a hole in his wallet. When Darrens lover moves on, maybe its finally time to see where that card takes him. Collars & Cuffs new barman, JJ Taylor, is really conflicted right now. He went to the club with a very specific purpose, already convinced of what hed find there. Except its not what he expected at all. He certainly didnt anticipate finding himself drawn to the new wannabe Dom. Nor could he have guessed the direction that attraction would lead him. Old love, new love, vows, pain, rage, moving in, moving on. The members of Collars & Cuffs face an event that touches some of them deeply, but it will only reinforce what they already know: together they are stronger, and some bonds cannot be broken.
