

Courting Carolina (A Spellbound Falls Romance)

In New York Times bestselling author Janet Chapman's magical town of Spellbound Falls, anything can happen, even love that defies time itself. While building a wilderness trail for a new five-star resort in Spellbound Falls, underachieving playboy Alec MacKeage rescues a beautiful woman who is being chased by kidnappers and agrees to let her hide out with him for a few days. But when those days stretch past a week, Alec finds himself fighting his attraction to the mysterious Jane Smith despite knowing the woman isn't who she claims to be. Then again, neither is he. On the run from her own life, Jane is really Carolina Oceanus and she'll do anything to avoid the six ancient-minded men her father has brought to Maine to vie for her hand in marriage. But as the maddening competition heats up, Carolina realizes that she'll have to come clean to Alec, the seductive loner who's managed to capture her heart.
