

Cruising on the Queen Elizabeth 2: Around the World in 91 Days

HMS Queen Elizabeth 2 is the most celebrated craft afloat and one of the greatest technical achievements of the 20th century. In her construction and maintenance are involved almost every science, profession, and trade known to civilization. On her bridge stand officers, who besides being the pick of the Royal Navy, have passed rigid examinations in all studies pertaining to winds, tides, currents, navigation, and the geography of the sea. For 91 days, author Bernard M. Patten, M.D., sailed around the world on this ultimate cruise ship. What was it like onboard this most luxurious of luxury liners? Marvelous, simply marvelous, he assures the reader with obvious enthusiasm that spills off every page. Determined to give the reader the complete QE2 experience, Patten and his wife, Ethel, roomed in progressively better accommodations, moving level by level from the least expensive class (Mauritania 5) to the Penthouse Suite, which included their own butlers, Geoffrey and Paul. Along with the Pattens, readers will experience every deck, every restaurant, and every level of luxury that this incredible ocean liner has to offer. Whether you're a cruise buff, or planning your own stay aboard this fabulous ship, or just want to take a trip in your imagination on a cold rainy night, *Cruising on the Queen Elizabeth 2* will provide you with interesting information, entertaining stories, and ample pleasures.
