

## Entrapped (Cursed Magic Series: Book 3)

Claire finally has a clue to her mothers whereabouts, and she wont let anything stand in her way this time. Not even the Syndicate, the fact that it could be a trap to lure her out of hiding, or the seemingly insurmountable mission she is currently tasked with: to find the other Star Children while she still can. The mark on her arm is slowly consuming her, body and mind, and its a race against time to complete her mission, locate her mother, and hopefully, find a way to stop her magic-- or at least slow its potentially devastating progression. And to top it all off, a certain silver-haired elf refuses to leave her alone.
