Its raw, confronting and at times absolutely heart-shattering. On the flip side its beautiful, heart-warming and downright sinfully delicious. It was everything we expected and more.....SO MUCH MORE!! BFDU Throw any pre-conceived ideas out the window and allow yourself to indulge in the memories and the feelings on offer. beaut-de-livres---beauty-of-books Its just a box of letters, right? Words that were written a long time ago. From a boy to the girl that he missed. From a man to the woman he loved. But what if those words carried more impact[AW1] than anyone realised? Will they finally give Georgia the closure she needs and lessen the guilt she battles every day? Or will everything she thought she knew about the boy and man who wrote them and the life they shared be forever altered? All will be revealed in The Letters. A story about life, love, and acceptance. This novella is book 4 in the Carnage Series. Carnage books 1&2 and Marley should be read first.
