

## The Quest of Perkins Vale (Legendary Rock Stars)

Im not sure I know what to think of the girl Ive searched for since I was thirteen; she isnt exactly how I remembered her. Im twenty-five, a rock star and a virgin. Yep, you read that right; Im still a virgin. Why you ask? Because I met the woman of my dreams when she was still a girl and Ive been searching for her ever since we met. Ive saved myself for her, as I believe she saved herself for me. Why again? Because I will love her, like she will love me, when we finally meet, again. Id like to think it was that simple, but I dont really know if she will love me. I only hope she will. If she doesnt, she wont be the right girl for me, because like I said, Ive been saving myself for the woman of my dreams. I just dont know where she isbut I wont stop searching until I find her. That is my mission. My quest.
