

Darkness Series: Books 1-3

DARKNESS LURKS #1 Emily McPhee has struggled to overcome her father's death...It's not easy, but Emily finally has the life she wants. She's an A student at Orange University and has a comfortable home and a great circle of friends. She's also in love with handsome Orange PD officer Seth Connors. He doesn't seem to return her feelings, though, so she tells herself his friendship is enough. Jimmy Lasko is a psychopath, and Emily is his greatest obsession. Lasko knows what he wants and what he deserves and has the deadly skills and unending patience to get it. What he wants is Emily, and he is watching and waiting for the perfect opportunity to strike. That time is coming soon; he'll make sure of it. A sense of unease settles on Emily, but is the danger real or imagined?

When Emily begins hearing noises and suspects someone has been in her house, Seth urges her to get a roommate. But after a search, she realizes a certain attractive cop would be the perfect choice, and Seth moves in. Seth loves Emily, but fears his feelings might make it difficult to protect her. In all areas of his life, Seth sees himself as a protector. He's determined to keep Emily safe, but he pushes the captivating blonde away in an attempt to stay objective. However, after her stalker makes a failed attempt to capture her, Seth can no longer deny his feelings. With help from Seth's police colleagues, he and Emily set out to identify the person hunting her before it's too late. But is it worth the risk to bait the trap with what he wants most?

DARKNESS FOLLOWS #2 Emily McPhee is in the clutches of a monster. Despite the protection of her boyfriend Seth Connors and his colleagues with the Orange Police Department, Emily is imprisoned in a basement by her psychopathic stalker Jimmy Lasko. His bizarre behavior adds to her terror, and a video link forces Seth to witness her captivity, leaving him feeling helpless as

he, the OPD, and the FBI search for her. Freedom isn't free, and safety is just an illusion. Though Emily escapes the basement, the threat is far from eliminated. In fact, things she learned while being held by Lasko lead her to believe he isn't working alone. Lasko is still out there, determined to get her back, and crazier than ever. If he does have a partner, Emily has no idea where the threat might lie or who she can trust. **DARKNESS FALLS #3** More than a year after her ordeal, Emily McPhee finally feels safe. Emily's psychological scars are healing. Things are great between her and OPD Officer Seth Connors, and her biggest problem is the X-rated Halloween decorations her best friend Pete has placed all around her house.

If only it would stay that way Seth senses something isn't right, but he doesn't know where the danger is coming from or why. He's sure Emily's neighbor, Travis McKay, is hiding something, and the man pays way too much attention to Emily. To make things even more complicated, a new female officer appears to have her sights set on Seth, and fellow officer Alexander Avery has some sort of connection to a mysterious brothel employee. Seth has a feeling all these odd things are somehow connected but he knows he's missing a huge piece of the puzzle.
