

A BBW Paranormal Shifter Story ***Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only*** With Idris facing a life time as an Exsul, Darlene finds herself trying to cope with her own power of seeing and connecting with spirits. Idris is tormented by his life choices and where he ends up at the risk of shoving Darlene away from him. Then Idris maker turns up on his doorstep with a seductive promise – to lead a pack of Exsuls for the purpose of changing the future of all werewolves to come. Darlene struggles with her crumbling relationship with Idris and her attraction to someone new. She finds herself torn between being true to herself and trying to prop Idris up. Idris must make a choice between turning his back on everyone he loves or going with his maker to form his own pack. Will Idris and Darlene be able to survive these trying times? Read this book to find out what happens.
