An exotic Hawaiian vacation was what Ginger Carpenter had planned. What she got was a tropical nightmare! An escaped murderer was on the trail of her two foster nieces once more. To protect them, she had to rely on Dr. Ray Clyde the man she had never wanted to see again. Ginger hadn't been able to forgive Ray's interference with her vocation as a missionary. Now, with danger lurking behind every palm tree, she had to find a way to forget the past to make sure they all have a future.
