

About the Book DARKNESS HAS FALLEN, AND SHE ALONE WILL SEE THE LIGHT. The Ceruleans: mere mortals infused with power over life and death. Five books, one question: If the might of the heavens were in your hands, would you be sinner or saint? With her mother's life hanging in the balance, Scarlett is devastated – and done with being in the dark. She wants answers, all of them. But when was her pursuit of the truth ever straightforward? Pulling a single thread impels a great unravelling. And each revelation will force Scarlett to rethink what she thought she knew about the Ceruleans, the Fallen, her family – herself. All that came before was a mere prelude to this, the last journey. From London to Twycombe to Hollythwaite to Cerulea, Scarlett will be stalked by the ghosts of what has been, what may have been and what may come to pass. Until she reaches the place where it all began, and it all must end. But in the final reckoning, none will survive unscathed. And some will not survive at all. In this explosive conclusion to The Ceruleans series, all must be defined by their actions: sinner, saint... or something more beautiful entirely? Reviews “What an incredible conclusion to a unique and engrossing series.” – Hall Ways “This novel flowed beautifully from the previous ones... I believe I may have ugly cried when all was revealed!... A wonderful series with a beautiful, thought provoking ending. Leaving you to wonder – what would you sacrifice for love?” – The Reading Cafe “This book was the perfect ending to the series and I couldn't put it down. I just needed the answers so desperately than I dived in and didn't come up until the very last page.” – Maureen's Books “There are five glorious books in this series and each one is devourable. While I am sad that this was the end, it was a wonderful ending. I look forward to whatever Megan has in store for me in future books.” – A Soccer Mom's Book Blog About the Author Megan is a professional writer by day and an indie novelist by night.
