

Their Dirty Little Secrets

Kayla Robinson is thrilled when her boyfriend, John Peterman, starts taking charge in the bedroom and spanking her bare bottom when she is naughty, but she worries that the kind of dominance she truly yearns for may be deeper and darker than he realizes. Hoping to help Kayla better understand her submissive desires, John invites another couple author Max Bowman and his wife Chrissy for a visit. Before she knows it, Kayla is opening up to the sweet, mischievous Chrissy, but when they start getting into more and more trouble together the girls soon learn the hard way that their men won't hesitate to punish them thoroughly enough to leave their bottoms sore both inside and out. Yet even as she delights in her newfound friendships, Kayla still wonders whether her own fantasies are too intense to be explored. When John finally discovers what she really wants, will he merely try to humor her, or will he truly set out to fulfill her innermost needs? Publishers Note: Their Dirty Little Secrets is a stand-alone sequel to Their Strict Daddies. It is an erotic romance novel that includes spankings, sexual scenes, BDSM content, elements of age play, and more. If such material offends you, please don't buy this book.
