

Study Guide to accompany International Economics, 8th Edition

Work more effectively and gauge your progress as you go along! This Study Guide that is designed to accompany Salvatore's International Economics, 8th Edition includes chapter outlines, summary and reviews for each chapter, problems and questions with solutions for each chapter, and diagrams for each chapter. Dominick Salvatore's International Economics offers students the cutting-edge content, accessible presentation, and real-world focus they need to keep pace with our rapidly changing world. Thoroughly updated and revised, the new Eighth Edition presents the crucial changes that have recently taken place in the world economy from serious trade disputes among the United States, the European Union, Japan, and developing countries, to the introduction of the euro as the second most important international currency in the world.
