

Cant Resist Him (River Bend, #4)

Sometimes what you want and what you need are two very different things. Always relegated to the friends with benefits corner of small town River Bend, Jenny Riley is done giving the milk for free. Falling hard for a bad boy? Not in the plan, either. Sexy, emotionally-wounded Marine Reservist Brody Nelson just needs someone to lend an ear. A friend. Friends to lovers? That's more than he bargained for. Neither wants a relationship. A long distance friendship should be enough. Its not. Warning: This books contains a tattooed, pierced hero with a few surprises up his sleeve...and a hella sexy one down his pants.
