

## The Vampire Diaries: Raze This Town (Kindle Worlds Short Story)

Elena Gilbert and her properly worried friends prepare to help Lander battle the demon that is hell-bent on destroying Mystic Falls. The malignant spirit is furious, it seems, because all the supernatural activity going on in Elenas hometown is drawing way too much attention to the publicity-shy Underworld. Now Damon and Stefan Salvatore must put aside their jealousy of Elenas new protector, a sexy Scot who quite literally stumbled naked into her life, if they want any of them to survive a bloodbath that threatens to swallow up and destroy Mystic Falls. Be sure to read the stories in order! Raze This Town is part three of Clenneys series. Start with The Blood Ring and Kilts and Fangs, and once youve finished Raze This Town, continue the series with Dirty Demons!
