

Historical Romance: Viking Yearning (Historical Romance) (New Adult Comedy Romance Short Stories)

Freyja has been alone for many years. Her husband, Baldr and their sons had been lost at sea during a storm. Though still young for a matron, she lives the secure life of a widowed healer, respected in her village, but there is something missing in her life. She fears she will never again have a warrior at her hearth; a man to cook for, look after and love and a family to take care of. Torstein is a warrior and a trader. Unlike his late brother Baldr, he prefers to speak before drawing steel. He is handsome, strong, and smart but has never taken a wife. The women of the village vie for his attention, each hoping to be the lucky one to wed him. When he returns from a voyage with an injury, Torstein asks that his late brother's wife Freyja tend his wound. He has always had feelings for the beautiful Freyja but would never admit them while Baldr lived. Their mutual attraction flares to life giving Freyja and Torstein the possibility of happiness together, but can they gain acceptance from their people and from Baldr and Torstein's parents? Warning! This ebook contains explicit scenes of passion and desire. For adult eyes only!!!
