

Congratulations on writing and publishing your book! Now the nitty-gritty marketing starts. With a lot of excellent marketing tools and books available, why did we write this one? To share a journey of how it's possible to indie publish a book and hit a bestsellers list. In 2014, Heather Moore hit the USA Today list with a self-published box set. A few months later, she put together the Triple Treat Romance Box Set series, and brought in Tracy Daley to market the series. 12 box sets and 36 authors later, and hitting multiple Top 5 & Top 10 lists consistently, we are ready to pass on our research and recommendations. The promotion sites included in this book are organized in an easy to find manner to target your specific marketing needs.

A Mindful Nation: How a Simple Practice Can Help Us Reduce Stress, Improve Performance, and Recapture the American Spirit, Burned: A Fever Novel, Righteous Decisions (Decisions Series Book 1), Unbreakable: Unbreakable, Book 1, The Murfreesboro Railroad Company, Arousing Suspicions (The Darling Detectives Trilogy),
