

Blinded by Fate (The Ugly Roses) (Volume 3)

From page one you are thrown into an emotional mess!!! And it doesnt stop until the end!! Its a gripping book and a gripping series! Alpha Book Club How did I get here? Of course I know the answer, but if those bastards Fate and Karma truly hold the cards then I wish I knew where the hell I went wrong. There are no crossroads for me anymore. Im kneeling on the floor at the hands of a monster. My choices along with my dignity are about to be taken and theres little I can do for myself. Trapped in a cage, the harsh bite of concrete under my knees is a cruel reminder of my past, a past that follows me wherever I go despite my best efforts to remain in the shadows. One thing for certain is that no matter what happens, no matter where this takes me or if I get out alive Ryder will always fight for me. Im not on my own anymore. I have a strong man who loves me and Callaghan Security behind me. Surrendering is not an option, and retribution may not be my answer. This is a reckoning. I will find the answers and survive long enough to reclaim what I lost. My intent is pure and if Im worthy enough fate will grant me the one thing I may not deserve. Redemption.
