

Eternal Island: The Eternal Series, Book 1

A place where vampires rule, witches play, danger lurks and dreams really do come true. Eternal Island is a paranormal suspense novel, deeply rooted into myth. Vampires and magic form a unique backdrop to a love story with long reaching consequences. Human girl Ariana Lochalan finds herself transported from the relative calm of her Nowhere, Arkansas life into a diametrically opposite existence when she discovers she is a powerful witch and meant to wed High Vampire of Eternal Island, Abe Cambridge. Despite first-sight magnetism, the two protagonists are being pushed apart, obstacles tripping them at every step, outside forces interfering and threatening their peace, and ultimately their lives. A world rich in magic and intrigue, Eternal Island is the first instalment of a saga which has love at its core and delves through the mire that is human nature in a turmoil of feeling and emotion. Would courage, resilience and love be enough to bring together two soul mates? How much would you sacrifice to save the one who owns your heart?
